BVAC News March 2026

February Events

There were two club events in February, our regular breakfast meet at Milestone on the 8th and the Curry Night on the 18th. At Milestone, the weather was definitely an improvement on last month and as well as the regular club cars a couple of what seemed to be very tidy classic Minis turned out to be very different under the skin, with rear-mounted Yamaha motorbike engines replacing the traditional A-series lump up front. They made some very un-mini-like noises when they departed.

At the 1953 restaurant in Galashiels, we were treated to some excellent Nepalese and Indian food and great company making for an entertaining night out. The only complaint I heard was the lack of elbow room which only serves to highlight what a popular event this was. Thanks are due to Keith Watson for making the arrangements

March Events

This month, we have three club events. The first is our regular meet at the Milestone Garden Centre in Newtown St Boswells from 10am on the 8th, while we have a new addition to the calendar the following Sunday with 'Cars and Coffee' at Duns, organised by Toby Marshall-Andrew in conjunction with Nathan's Auto Shine and Millar's Autos. Details in the poster overleaf.

On the 29th, there is a drive out to Eyemouth for a fish & chip lunch at Giacopazzi's, the long-established ice cream and chip emporium on the harbour front. Details are on the website here. **Please book as soon as possible for this one as Philip Titley needs to reserve space for us.**

Further Ahead

The programme of club events and visits to car shows for the forthcoming season is now taking shape with a garage visit to Rob Armstrong's collection of classic cars in Jedburgh and the Drive-It-Day run to Alnwick in April on the 19th and 26th respectively. May sees the first two car shows of the year at Lathalmond near Dunfermline on the 3rd and Kelso on the 17th. In June, we have the 'Gather and Brew' event at Etal on the 14th and the Moffat Show on the 28th.

In addition to all this, our Milestone breakfast meets continue every second Sunday of the month.

Altogether there's no excuse for not getting your classic out on the road!

Full details and booking arrangements for all these are on the website. Use this link for club events and this one for visits to car shows.

Storage Space

Unexpectedly available again, safe, secure and dry storage covered by CCTV for one classic car, or two bikes. Covers and trickle chargers provided and included in the price, located close to Reston, easy access from the A1

£70 per month

Please contact Rob Jenner for more details on 07747130139 or rob@xclusivelyjaguar.org

Vintage Oil Pumps

We've received an email from Sue Lindsay (lindsay.cornhill@outlook.com) who has two old oil pumps in her farm shed. They have been cleaned but other than that nothing has been done to them so are all original. They will be going to the scrap heap if nobody is willing to buy and uplift them. Pictures on the next page…

Nostalgia Corner

Here are a couple more period pictures from Fed Magill's collection.

That's all for this month, do let me have anything you'd like to see in next month's edition – local motoring events, pictures or full articles all gratefully received.

Clear roads,

David
